Swarovski 4884/S

The image displays three views of a heart-shaped Swarovski setting: a faceted heart crystal, a line drawing of the heart outline, and a side view of the setting's prongs. Below these are two columns of information: 'Méret' (Size) and 'Szín' (Color). The 'Méret' column lists three sizes: MM 5,5X 5,0, MM 8,8X 8,0, and MM 15,4X 14,0. The 'Szín' column lists 'Silver Plated' with a corresponding color swatch. Three vertical lines connect the size options to the color swatch, indicating that all sizes are available in silver plating.
